RELATED RESOURCES

Custom Roles:

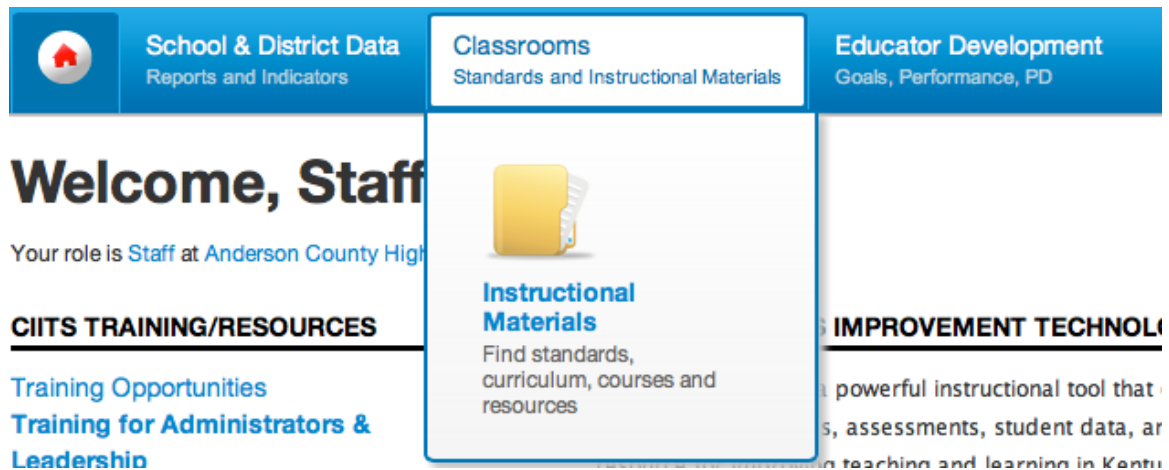

Default Role: Staff

Custom Role: Analyst

Staff + Analyst will have 3 modules listed in the blue banner: School and District Data, Classrooms, and Educator Development. Within the School and District Data module you will have access to the Key Performance Indicator Dashboard, Benchmark Tests, Report Bank, Report Builder and Saved Reports.

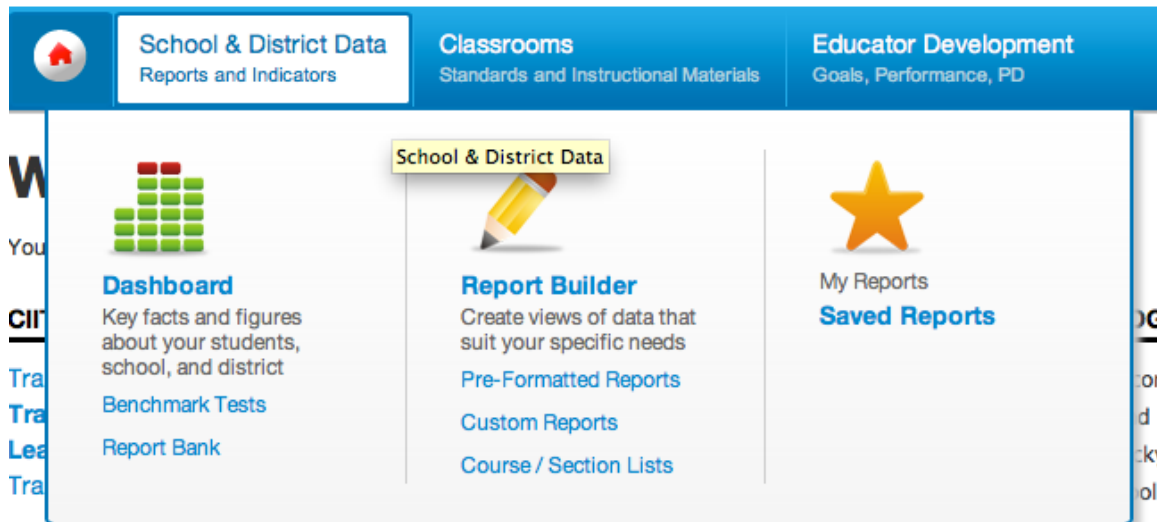

Within the Classroom module, you will be able to search for Standards and Instructional Materials.

Default Role: Staff

Custom Role: Specialist

Staff + Specialist will have 3 modules listed in the blue banner: School and District Data, Classrooms, and Educator Development. Within the School and District Data module, you will have access to the Key Performance Indicator Dashboard, Benchmark Tests, Report Bank, Report Builder and Saved Reports.

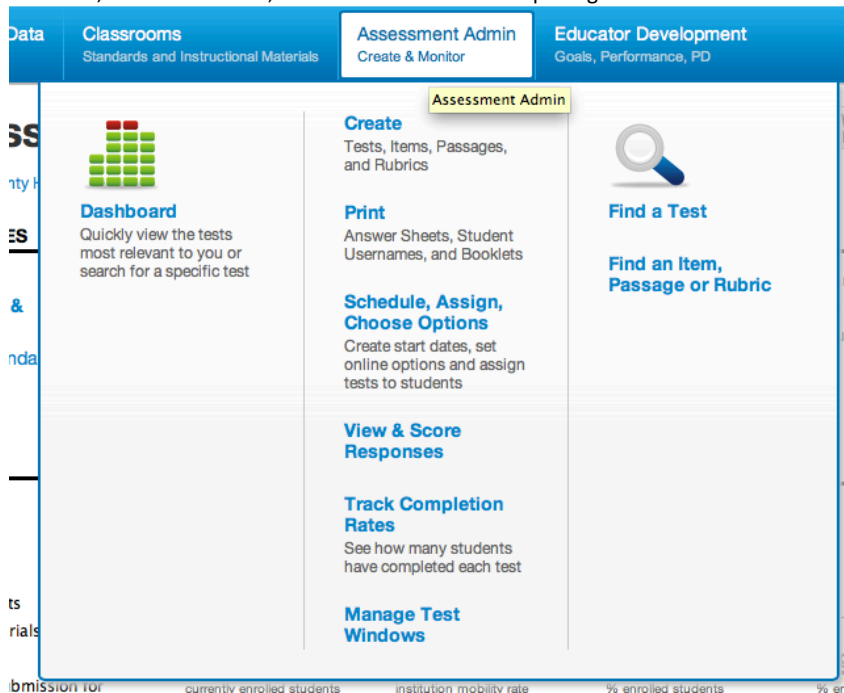

Within the Classroom module, you will be able to view Student Performance, Student Groups, Lesson Planner and Search for Instructional Materials.

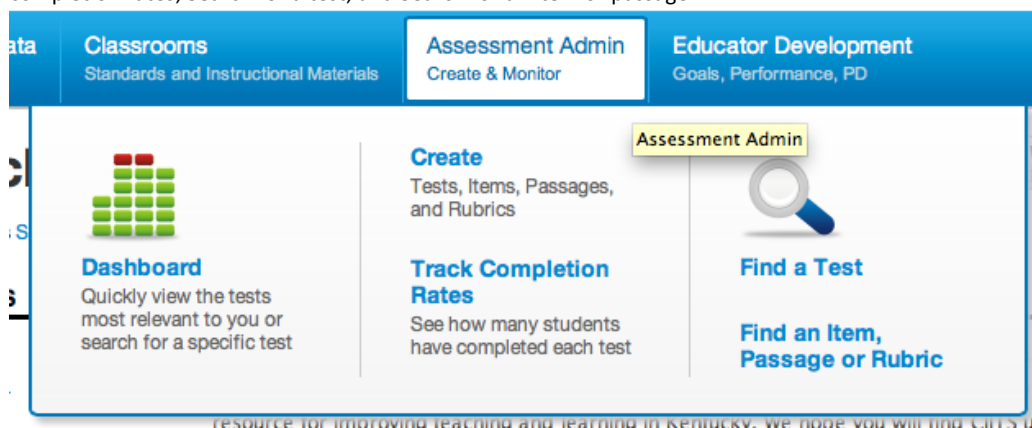

Custom Role: Assessment Manager (must also have Test Item Administrator role)

If you have been assigned Assessment Manager, you must also be assigned the Test Item Administrator role. With these roles, you will have access to the Assessment Admin module. Within this module, you will have the ability to do the following: View the Dashboard; Create tests, items and passages; Print answer sheets, student usernames and test booklets; Schedule, assign and choose options; View and score responses; Track completion rates; Manage test windows; Search for a test; and Search for an item or passage.

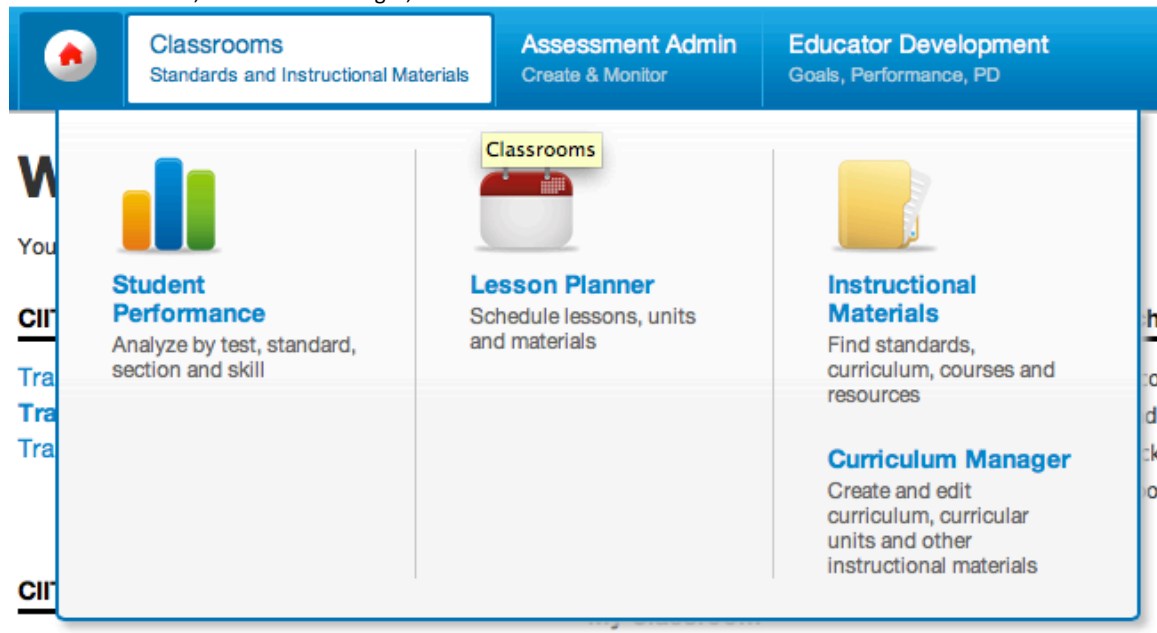

Custom Role: Test Item Administrator

If you have been assigned Test Item Administrator you will have access to the Assessment Admin module. Within this module, you will have the ability to do the following: View the Dashboard; Create Tests, items and passages; Track completion rates; Search for a test; and Search for an item or passage.

Custom Role: Materials Approver

If you have been assigned Materials Approver, you will have access to the Classrooms module. You will have access to the Lesson Planner, Curriculum Manager, and Instructional Materials.

If you click on "Instructional Materials", you will have the option to view Pending Materials.
